which (to stand) which she (to do) every day
who (to play) Michael Plotter who (to help) Lisa whose leg (to be) broken
who (to drive) this car which (to happen) which she (to listen) to most
which she (to watch) whose favourite actor (to be)
which Lisa (to watch) now who (to visit) her

It is Thursday afternoon and the girlwhose leg is broken is Lisa. The filmwhich she
is watching at the moment is a Harry Potter-movie. Daniel Radcliffewho plays Harry
Potter in the movies is her favourite actor. Watching films is her spare time activity which she
does every day because she isn't allowed to do any sports. Her accidentwhich
happened last Friday in King's road was terrible. She was on her bike and didn't see a car
which was standing at a traffic light. The manwho was driving this car was
already very old. Lisa fell down and started to cry. The old manwho had a mobile phone
immediately called an ambulance. When the paramedics arrived 10 minutes later, there weren't still many
peoplewho were helping Lisa The ambulance brought Lisa to a nearby hospital. She
came home on Monday. The girlswho have visited her at home since then are Mona and
Carol. Carol is the girlwhose favourite actor is Daniel Radcliffe, too. However, she hasn't
seen the filmwhich Lisa is watching now, yet. Mona doesn't like watching films but
listening to music. The songswhich she has listened to most since last Sunday are from Justin
Biber.
