**Task 2:** Read the text and ask for the underlined parts. Write the questions on the lines.

Jason Kline (18) and his friend Brian Johnson (17) live in Chicago.

They both enjoy mountain biking.

In America, when you say 'mountain biking', you think of Utah and the many trails around the town of Moab in the eastern part of the state.

Last September for the first time Jason and Brian went to Utah on vacation.

They flew to Salt Lake City, where they stayed a night.

The next day they rented a car and drove almost three hundred miles to Moab.
